

Instructions for joining BSA Troop 458's website

In your web browser, type the following into the address bar:

<http://troop458.scoutlander.com/>

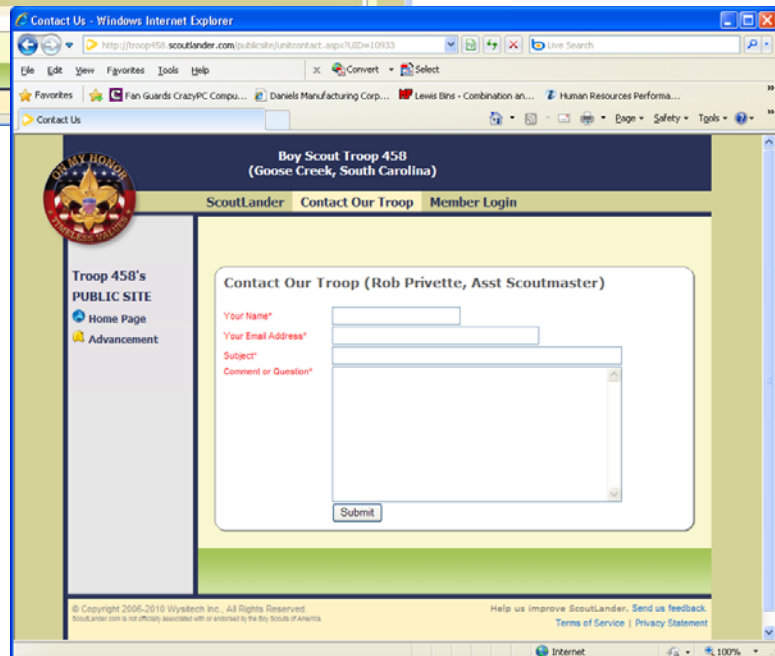

This should direct you to the troop's public site home page which looks like something like this:

If you do not currently have a Scoutlander.com account, click on the “Contact Our Troop” button at the top of the page which will give you a form to request access to the site. Please fill in your name, the email address you prefer for all scout related correspondence (this will

ultimately be your Scoutlander.com login name) and for the subject put “request site access and please add your name here also.”

Once you finish, click the “Submit” button, the site administrator will receive an email with your information. The site administrator will take that information and create an invitation which will be sent to the email address you provided.

If you have any questions or need additional help please contact Rob Privette @ rprivette3@yahoo.com or Jim Rinker @ jrinker@comcast.net
